The department of the state auditor shall annually make a careful audit of the accounts of all departments, offices, commissions, institutions and activities of the commonwealth, including those of districts and of authorities created by the general court, and including those of the income tax division of the department of corporations and taxation, and for said purpose the authorized officers and employees of said department of the state auditor shall have access to such accounts at reasonable times and said department may require the production of books, documents and vouchers, except tax returns, relating to any matter within the scope of such audit. The accounts of the last named department shall be subject at any time to such examination as the governor and council or the general court may order. Said department shall comply with any written regulations, consistent with law, relative to its duties made by the governor and council.
